

Show Exhibitor?

Want to accept card payments at a show? FastNet Is The Answer!

FastNet is the leading provider of Electronic Funds Transfer (EFT) communication services in South Africa - we have been operating for over 10 years and have over 45000 installed devices.

FastNet lets show exhibitors connect their *bank-provided* terminals to a **FastNet** device to process all card transactions. **FastNet** is the only provider in SA to offer two show solutions - the **RadioPad** and the **DualConnect GPRS** modem!

With a **once-off rental fee** for the duration of the show, **FastNet** provides a technical team that will:

- ➔ Install and recover the device
- ➔ Provide on-site technical assistance

Rental fee includes all transaction costs (call charges) during the show - we offer a flat-rated service!

FastNet devices are approved by all major banks, plus **FastNet** has field experience in all the main exhibition centres including:

- Nasrec
- The Dome
- Bloemfontein Showground
- Pietersburg Showground
- Pretoria Showground
- Gallagher Estate
- Durban Exhibition Centre
- Pietermaritzburg Showground

Giving your customers the ability to pay with either a credit or debit card greatly enhances your stand and directly impacts your profitability at the show!
